Collaborative University and College Programs
Programmes conjoints des universités et collèges

The following is a summary of the joint programs that will be offered for the 2013–2014 cycle by the universities of Ontario in collaboration with the colleges. Note that some of these programs are not open to international applicants; contact the university for information.

Each institution defines its own procedures for applying to these programs. The following chart provides an overview of the available programs and indicates the application centre through which the application is to be made.

You should address questions concerning the programs or procedures for admission to the university in which you are interested.

La section qui suit donne un aperçu des divers programmes conjoints qui seront offerts en 2013–2014 par les universités de l'Ontario en collaboration avec les collèges de la province. Certains de ces programmes ne sont pas ouverts aux candidats internationaux; communiquer avec les universités pour plus de renseignements.

Chaque université définit ses propres procédures relatives aux demandes à ces programmes. Le tableau qui suit donne un aperçu de ces programmes et indique à quel centre la demande doit être faite.

Si vous avez des questions, veuillez communiquer directement avec l'université qui vous intéresse.
