AVV Outdoor Recreation – Honours BOR/BA Women's Studies (five-year double degree)

AVW Outdoor Recreation – Honours BOR/BA Women's Studies (four-year double degree)

ASA Outdoor Recreation – Honours BOR/BSc Natural Science (four-year double degree)

For a comprehensive overview of the exciting learning opportunities available at Lakehead University, please visit www.mylakehead.ca.

Profile

Lakehead University is a small, student-centred, comprehensive university. Technologically advanced, sensitive to student needs and located in a superior natural environment, Lakehead University provides exceptional educational value.

Lakehead University's Thunder Bay Campus is located on a 117.5-hectare site. Lakehead University has nine faculties: Business Administration; Education; Engineering; Natural Resources Management; Graduate Studies; Northern Ontario School of Medicine; Health and Behavioural Sciences; Science and Environmental Studies; and Social Sciences and Humanities. The teaching faculty includes 286 full-time members at the Thunder Bay campus. The university library, which is the largest library in northwestern Ontario, consists of the Chancellor Norman M. Paterson Library and the Education Library.

Campus Tours

Lakehead University's Thunder Bay campus is situated at the head of Lake Superior. The campus features a beautiful, natural environment including the McIntyre River and Lake Tamblyn. Come learn about our extensive programs; see our teaching facilities, labs, libraries, residences, computer labs and athletic facilities; talk with students and faculty members of the program in which you are interested. Tours are available Monday to Friday from 8:30 a.m. to 4:30 p.m. To arrange for a personalized campus tour, please register online at www.mylakehead.ca or contact Recruitment at 807-343-8907.

Scholarships

High-ranking students are automatically considered for Lakehead University Entrance Scholarships. The scholarship average is calculated based on students' highest six 4U/M grades, available at the time of the offer.

95%	Free Tuition*	Tuition x 4 years
90–94.9%	\$10,000**	\$2,500 x 4 years
85–89.9%	\$6,000**	\$1,500 x 4 years
80–84.9%	\$3,000**	\$750 x 4 years

*Renewable provided that a 90 percent average is achieved in each academic year. If a student's university academic average falls between 80 percent and 89.9

percent, the student will receive an amended scholarship valued at \$2,500 per year for each subsequent academic year for the remaining term of the scholarship.

****Renewable** provided that an 80 percent average is achieved in each academic year.

Additional scholarships, as well as a Lakehead University Entrance Bursary, are also available. For more details, please contact the Office of Student Awards and Financial Aid by telephone at 807-343-8206, by email at financial.aid@lakeheadu.ca or on the web at <http://financialaid.lakeheadu.ca>.

Enrollment

Full-time students: 5,599

Part-time students: 1,477

Graduate Students (Full- and Part-time): 604

Semester Entry Points: fall, winter, spring and summer.

Student Accessibility Services

Student Accessibility Services coordinates services and facilitates academic accommodations for students with disabilities. Academic accommodations are provided on the basis of documentation of a disability. All students must meet the essential learning outcomes for a course or program of study. Students with special needs due to a disability are encouraged to contact Student Accessibility Services as soon as possible to arrange for any necessary academic and/or physical accommodations.

Student Success Centre

The Student Success Centre (SSC) is committed to helping Lakehead students throughout their university career. The staff at the SSC are focused on enhancing students' self-confidence, contributing to academic success, and helping students achieve their goals to develop life-long plans. Services include:

- Academic advising
- Academic support
- Career exploration
- Co-operative education opportunities
- Job preparation
- Leadership development
- Orientation and first-year experience
- Tutoring services

Email: ssc@lakeheadu.ca

Website: <http://ssc.lakeheadu.ca>

Phone: 807-343-8264 or 807-343-8018

Residence Accommodations

All secondary school students who receive an offer of admission to Lakehead University's Thunder Bay campus are guaranteed a space in residence, provided

that they return their residence contract, residence profile and down payment by June 1, 2012.

Lakehead University residence has accommodations for 1,165 students. Eight building structures comprise the residence: Prettie Residence, Bartley Residence, Halliday Hall Residence, three "phases" of townhouses and two apartment buildings constructed in 2003. The townhouses are reserved for upper-year students. Residence accommodation in Prettie, Bartley or Halliday Hall Residences requires the purchase of a meal plan that operates seven days a week and provides three meals a day. The meal plan is optional for townhouse and apartment residents.

For more information, visit our website at <http://residence.lakeheadu.ca>; telephone 807-343-8060 or 807-343-8097; or email us at resacnt@lakeheadu.ca.

Language Requirements

Applicants whose native language is not English and who have not studied in an English-language school system for more than three full years will be required to provide proof of English language proficiency by achieving appropriate standing on one of the following tests:

1. **Test of English as a Foreign Language (TOEFL):** Minimum acceptable score is 550 (paper-based; no component less than 50), 213 (computer-based; no component less than 17), 80 (internet-based; no component less than 19).
*Our institution code is 0888.
2. **Michigan English Language Assessment Battery (MELAB):** Minimum acceptable score is 85.
3. **International English Language Testing System (IELTS):** Minimum acceptable score is 6.5 with no band below 6.0.
4. **Canadian Academic English Language Assessment (CAEL):** Minimum acceptable score is 60.

Please note that applicants to Nursing are required to present higher scores than those listed above. Please contact the Office of Admissions for details.

For international students who meet Lakehead University's admission requirements but whose English Language Proficiency test scores fall below our required cut-offs, you may be considered for admission through the Lakehead English Communication Program (LECP). For details, please visit <http://admissions.lakeheadu.ca/lecp/>.

Distance Education and Online Learning

No matter where you live in the world, you can pursue your educational goals when and where it's most

convenient for you. From a single course to a seminar or an entire program, online or on-campus, we have the solution. For more information contact the Office of Continuing Education and Distributed Learning by phone at 807-346-7730 or email at cedl@lakeheadu.ca.

Co-op Education

Lakehead University offers students the opportunity to include a co-op experience with their degree program. Programs that offer co-op options are indicated with a square symbol (■). Students must apply to the academic unit that sponsors the particular degree program and selection is based primarily upon academic credentials; however, consideration is given to relevant background information that demonstrates the applicant's aptitude for co-op education. Please note that some co-op programs begin in year one, while others begin in year two or three.

International Baccalaureate (IB) Admission Requirements

An IB Diploma with a total score of 28* in six subjects, three of which must be at the Higher Level (HL) with no score less than 4 in any subject, is required. (*Higher scores may be required for admission to programs in which the demand for places by qualified applicants exceeds the supply of available spaces.) Program-specific prerequisite courses are also required.

For complete details about program-specific prerequisites, transfer credit eligibility, etc., visit <http://admissions.lakeheadu.ca/admission--application-information-for-high-school-students-enrolled-in-the-international-baccalaureate-ib-program/>.

Advanced Placement (AP)

Secondary school students taking advanced placement courses may be eligible to receive university credit. For complete details, visit <http://admissions.lakeheadu.ca/admission--application-information-for-high-school-students-taking-advanced-placement-courses-ap/>.

Deferrals

Deferral of Admission requests will be considered on a case-by-case basis for open enrollment programs. Deferrals will not be considered for limited enrollment programs including Nursing, Visual Arts, Music, Engineering and the One-Year Bachelor of Education. All conditions listed on the original offer of admission must be satisfied before a deferral of admission request will be considered. If students plan on completing any further studies at an accredited institution after being admitted to Lakehead, they will have to re-apply for admission through the Ontario Universities' Application Centre. To download the Deferral Request form, visit: <http://admissions.lakeheadu.ca> (then click on "Forms" in the left menu).

Lakehead University – Orillia Campus

- ▲ Specify subject of major interest on the application.
- Indicates that the program is also available by co-operative education. Specify on the application, if applicable.

- AAS Arts & Science – Honours Bachelor of Arts & Science ▲ Anthropology; English; Environmental Sustainability; Geography; Interdisciplinary Studies
- AOA Concurrent Education/Arts & Science – Honours Bachelor of Arts & Science/Bachelor of Education (Primary/Junior) ▲ Anthropology; English; Geography; Interdisciplinary Studies
- AOS Concurrent Education/Arts & Science – Bachelor of Arts & Science/Bachelor of Education (Primary/Junior) ▲ Interdisciplinary Studies
- ACO Business Commerce – Honours Bachelor of Commerce (four years) (Orillia Campus)
- ASW Social Work – Honours Bachelor of Social Work (one year) (Orillia Campus)

Profile

Lakehead University – Orillia Campus opened phase one of its permanent facility in September 2010. The new campus is entirely designed and built to LEED® (Leadership in Energy and Environmental Design) standards.

The Lakehead University – Orillia Campus features an Interdisciplinary Studies program designed to offer students the chance to earn an Honours Bachelor of Arts and Sciences degree and, if they choose, to also earn a Bachelor of Education degree. The Lakehead University – Orillia Campus also offers an Honours Bachelor of Commerce (Administrative Studies) program, Business college transfer program as well as an Honours Bachelor of Social Work degree.

To enable students to leverage their many interests, Lakehead University's program offerings at the Orillia campus are multidisciplinary. Ideal for students who have broader career interests and aptitudes, a multidisciplinary degree program provides a flexible structure that allows for easy selection of pre-professional program requirements, along with subjects that are of greatest personal interest.

Combining the same quality education that has become synonymous with our Thunder Bay campus, the Lakehead University – Orillia Campus features advanced, state-of-the-art learning environments and a student life experience that takes advantage of the lifestyle opportunities that are unique to the city of Orillia and its surrounding region.

Campus Tours

We invite you to visit us at the Orillia Campus. Our friendly staff and faculty are here to help answer all your questions and get you on your way to achieving your academic goals. Visits are available Monday to Friday from 9 a.m. to 4:30 p.m. To arrange for a personalized campus visit, please register online at www.mylakehead.ca or contact Student Services by telephone at 705-330-4008, extension 2150.

Enrollment:

full-time students: 827

part-time students: 95

Residence Accommodation

Lakehead University – Orillia Campus opened its brand new, 271-bed residence complex in September 2011. Students who receive an offer of admission, who complete their residence contract and return the residence deposit by June 1, 2012, are guaranteed a space in residence. The new Orillia residence is a smoke-free, dormitory-style residence hall that features a unique, modern design where each student has their own single room and shares a bathroom with only one other person. Each floor houses 40 single rooms, a laundry facility, kitchenette and quiet room. With a full meal plan included in the accommodation package, residence hall students can enjoy extra study and activity time while not worrying about meal preparation and cleanup.
