

Brock University

- ▲ Specify subject of major interest on the application.
- Program is available through both co-operative education or regular (non-co-op). Please specify desire for co-op on the application.
- ◆ Program is available only through co-operative education.

Faculty of Applied Health Sciences

BAH	BA: Community Health
BHL	BA Honours: Child Health
BPK	BKin Honours: Kinesiology
BSH	BSc Honours: Health Sciences
BSK	BSc Honours: Kinesiology
BNS	BScN Honours: Nursing (application and documentation deadline March 1, 2012)
BP	BPhEd Honours: Physical Education
BPU	BPH Honours: Public Health
BSM	BSM Honours: Sport Management
BW	BRLS Honours: Recreation & Leisure Studies ▲ Community Recreation; Inclusive & Therapeutic, Outdoor Recreation
BPI	Concurrent BPhEd (Honours) BEd Intermediate/ Senior: Physical Education
BPJ	Concurrent BPhEd (Honours) BEd Junior/ Intermediate: Physical Education

Faculty of Business

BK	BAcc Honours: Accounting ■
BN	BBA Honours: Business Administration ■

Faculty of Humanities

BAL	BA Honours: Applied Linguistics ▲ Applied Linguistics/Teaching English as a Subsequent Language; Hearing Science; Speech & Language Science
BAC	BA Honours: Arts & Culture
BL	BA Honours: Canadian Studies
BQ	BA Honours: Classics ▲ Ancient Art & Archaeology; Classical Languages; Classical Studies
BT	BA Honours: Dramatic Arts ■ (Audition required)
BEN	BA Honours: English Language & Literature
BAJ	Concurrent BA Integrated Studies (Honours) BEd Junior/Intermediate ▲ <i>Teachable Subjects:</i> <i>Dramatic Arts; English; French; Geography;</i> <i>History; Mathematics; Music (Vocal); Science –</i> <i>General; Visual Arts</i>
BAI	Concurrent BA (Honours) BEd Intermediate/ Senior ▲ <i>Majors: Dramatic Arts; English; French</i> <i>Studies; Geography; History; Visual Arts</i>
BHI	BA Honours: History ■

BHU	BA Honours: Humanities – General Studies
BIS	BA Honours: Interactive Arts & Science
BZ	BA Honours: Liberal Arts ■
BMR	BA Honours: Medieval & Renaissance Studies
BLA	BA Honours: Modern Languages ▲ French Studies; Iberian & Latin American Studies; Italian Studies
BPH	BA Honours: Philosophy
BR	BA Honours: Visual Arts
BM	BMus Honours: Music (audition required)

Faculty of Mathematics and Science

BCB	BCB Honours: Computing & Business ■
BCH	BSc Honours: Biochemistry ■
BS	BSc Honours: Biological Sciences
BIM	BSc Honours: Biomedical Science
BBP	BSc Honours: Biophysics
BIT	BSc Honours: Biotechnology ■
BJC	BSc Honours: Chemistry ■
BG	BSc Honours: Computer Science ■
BGN	BSc Honours: Computing & Network Communications Co-op ◆ (Collaborative)
BSC	BSc Honours: Computing & Solid State Device Technology ■
BX	BSc Honours: Earth Sciences ■
BIJ	Concurrent BSc Integrated Studies (Honours) BEd Junior/Intermediate ▲ <i>Teachable Subjects:</i> <i>Physical Geography; Mathematics; Science –</i> <i>General</i>
BII	Concurrent BSc (Honours) BEd Intermediate/ Senior ▲ <i>Majors: Biological Science; Chemistry;</i> <i>Geography; Mathematics; Physics</i>
BEG	BSc Honours: Environmental Geosciences ■
BI	BSc Honours: General Studies
BH	BSc Honours: Mathematics (MICA) ■
BHG	BSc Honours: Mathematics & Computer Science ◆
BIN	BSc Honours: Neuroscience ▲■ Neurobiology; Neuromotor; Neuropsychology
BOV	BSc Honours: Oenology & Viticulture ◆
BJP	BSc Honours: Physics ■

Faculty of Social Sciences

BAE	BA Honours: Applied Economic Analysis ■
BUD	BA Honours: Business Communication
BE	BBE Honours: Business Economics ■▲ Consumer Economics; Financial Economics
BD	BA Honours: Child & Youth Studies
BDP	Concurrent BA Child & Youth Studies (Honours) BEd Primary/Junior
BDC	BA Honours: Distinct & Diverse Communities
BED	BA Honours: Early Childhood Education
BEC	BA Honours: Economics ■
BF	BA Honours: Film Studies
BGE	BA Honours: Geography ■
BIP	BA Honours: International Political Economy
BLB	BA Honours: Labour Studies

- BUC BA Honours: Media & Communication Studies
- BO BSc Honours: Physical Geography ■
- BPO BA Honours: Political Science ■
- BPC BA Honours: Popular Culture
- BPY BA Honours: Psychology ■
- BSS BA Honours: Social Sciences – General Studies
- BSO BA Honours: Sociology
- BTV BA Honours: Tourism & Environment
- BWS BA Honours: Women's Studies

Programs Requiring More Than Secondary School

- BCE Certificate in Teaching English as a Subsequent Language
- BCI Certificate in Educational Studies
- BCV Certificate in Grape & Wine Technology
- BGA BSc in Computer Science as a Second Degree
- BCX Certificate in Speech & Language Sciences
- BCY Certificate in Hearing Sciences
- BKS Bachelor of Accounting as a Second Degree

Important Admission Notes for all Applicants

Applicants who have previously registered at Brock (even if they never attended classes) must contact the Admissions office at admissns@brocku.ca for the appropriate application form. This includes students who have studied at Brock on a Letter of Permission.

Applicants can expect to receive an offer of admission to only one program. When more than one Brock program is indicated on the application, the highest choice listed for Brock will be considered first. If an applicant is not eligible for the first choice, consideration will be given to subsequent choices in the order of preference that the applicant has indicated on the application. If an applicant applies to only one Brock program and does not qualify, in most cases consideration will be given for an alternate and related program.

Application Deadlines

- Home-Schooled Application.....February 24, 2012
- Bachelor of Science NursingMarch 1, 2012
- Bachelor of Science Nursing Supporting DocumentationMarch 1, 2012
- International ApplicationApril 2, 2012
- Domestic Application.....June 1, 2012

Applications are assessed on a first-come, first-served basis. Admissions decisions will be made once all required documents are submitted and the applicant file is deemed complete. Applicants should note that some programs have limited enrollment and admission is not guaranteed by the attainment of the minimum requirements.

Entry Points

Program and course selection is extremely limited for entry points other than September.

Deferral Policy

Brock University does not grant deferrals. All offers are for fall 2012 entry only. Any applicant who chooses not to attend will be required to re-apply via the Ontario Universities' Application Centre (OUAC) the following year and is expected to submit new documentation.

Supplementary Admission Requirements

All applicants, regardless of education background, are required to pay a CAN\$55 non-refundable administrative charge directly to the Ontario Universities' Application Centre (OUAC).

Most program admissions are based solely on grades. The following programs require additional criteria:

Bachelor of Arts – Dramatic Arts: Applicants must attend the DART Invitational. For details, applicants should refer to www.brocku.ca/dramatic_arts/.

Bachelor of Music: An audition is required for entry to the Bachelor of Music. Applicants should refer to www.brocku.ca/music/ for details.

BAI Concurrent Bachelor of Education/Bachelor of Arts Honours – Dramatic Arts Majors (IS Division) only: Upon receipt of a conditional offer of admission, applicants must contact the department of Dramatic Arts to confirm their attendance at the DART Invitational. For contact information and more details, and to register for the DART Invitational, refer to www.brocku.ca/dramatic_arts/. Normally the two dates scheduled for the DART Invitational are in April and May. A third DART Invitational may be arranged later in the summer for late applicants (subject to space availability). It is mandatory that all applicants who hold offers (with Dramatic Arts as a major) attend one of the dates. Failure to attend the DART Invitational will result in the offer to the Dramatic Arts Major being revised to an alternate major.

Although the concurrent programs are designed for students attending Brock from the beginning of their university career, university or college transfer applicants with less than the equivalent of 4.0 university transfer credits may be considered for admission. Applicants with more than 4.0 transfer credits or those who already hold a degree are not admissible to a concurrent education program. Applicants should note that these programs have limited enrollment and space is not guaranteed by the attainment of minimum admission requirements. For important information and contacts

refer to: www.brocku.ca/education/futurestudents/concurrentteachered/admissioninformation/.

Home Schooled Applicants (All Programs):

Applicants are expected to submit a "Home Schooled Applicant Profile" no later than mid-March for September consideration. Profiles may be accessed at www.brocku.ca/registrar/admissions/. See below for further information.

Canadian Out-of-Province Applicants

Applicants currently attending their final year of secondary school (Grade 12 or equivalent) will be assessed for admission upon submission of first semester final grades, and second semester midterm grades.

University/College Transfer Applicants

Applicants from postsecondary institutions must submit official transcripts from all institutions attended (including English translations, if needed). Transcripts must be sent directly from the sending institution to the Office of the Registrar – Admissions. For further information about transferring from a college or university, refer to www.brocku.ca/webcal/2011/undergrad/admi.html. Applicants must show evidence of adequate academic preparation for admission to a specific degree program. For a guideline on courses required for admission, refer to www.brocku.ca/webcal/2011/undergrad/crit.html. For information related to specific Brock university-college collaborative programs, or current transfer/articulation agreements, go to www.brocku.ca/registrar/admissions/articulation-agreements/.

Second-Degree Applicants

Applicants must have successfully completed a first degree with a minimum 65 percent overall average and show evidence of adequate academic preparation for entry into a second degree (refer to www.brocku.ca/registrar/admissions/admission-criteria/second-degree/ for information). Applicants should submit a letter to the Office of the Registrar – Admissions indicating they are applying for admission to a second degree. The letter must include the OUAC Reference Number and full name of applicant. Furthermore, **an admissions decision cannot be made until the applicant provides the Admissions Office with either a letter from the home institution indicating degree requirements have been met, or an official transcript showing that the degree has been conferred.** Some programs are limited in enrollment and space is not guaranteed by attainment of the minimum admission requirements.

Home Schooled Applicants

Applicants are expected to apply no later than February 24, 2012 (due to the extensive assessment process required for home school applications).

Additionally, a "Home Schooled Applicant Profile" should be submitted no later than mid-March to guarantee consideration for a September start. Full details regarding the application process and the profile can be found at www.brocku.ca/registrar/admissions/admission-criteria/home-schooled/.

Preference is given to applicants (who will not receive their OSSD) who have completed a final year of secondary school at the Grade 12 advanced level within an Ontario Ministry of Education registered and **inspected** school (or equivalent in another province). For a list of Ontario schools that meet this requirement see www.edu.gov.on.ca/eng/general/elemsec/privsch/.

Note: Any school on this approved list **must** indicate that it "offers credits towards the Ontario Secondary School Diploma," otherwise, the school is not considered as **inspected for our purposes**. Applicants may also present six 4U or 4M Ontario credits completed online via the Independent Learning Centre (ILC) (see www.ilc.org).

All other applicants are expected to provide the following:

1. Evidence of Ontario Secondary School Diploma (OSSD) **equivalency**, including four years of secondary-level study.
2. A minimum of six advanced level courses deemed **equivalent** to Ontario curriculum 4U/M credits (see www.edu.gov.on.ca/eng/curriculum/secondary/grade12.html as a guideline). A minimum of three must be completed at the time of application.
3. Evidence of adequate academic preparation for entry to specific programs (refer to www.brocku.ca/webcal/current/undergrad/crit.html as a guideline).
4. A completed "Home Schooled Applicant Profile". Access the profile at www.brocku.ca/registrar/admissions/.
5. A satisfactory SAT or ACT test result (mandatory for the file to be deemed complete).

For further information regarding assessment of home schooled applicants contact the Director of Admissions at mlea@brocku.ca.

Nursing (BScN)

Brock University offers two distinct options for completing the BScN degree:

Brock University Program:

Applicants may apply to the four-year BScN Honours program that is offered entirely at the Brock University campus in St. Catharines. Following completion of the degree, students will be eligible to write the certification exam to become a Registered Nurse. Students who wish to study at Brock University should

choose this option. Current Brock University students should not use this application. Contact the Office of the Registrar, Admissions, for an application to change majors.

Due to the specialized nature of the Brock University BSc Nursing program, second-degree applicants as well as university and college transfer applicants should note that **transfer credit is very limited and not guaranteed**. Successful applicants should expect to begin studies in year one in order to fulfill the unique requirements of the Brock Nursing program. Applicants are encouraged to apply well before the March 1, 2012, application deadline as spaces are limited and not guaranteed with the attainment of minimum requirements.

Loyalist CAAT/Brock University Collaborative Program: Applicants may apply to the four-year BScN Honours program that is offered in collaboration with Loyalist College in Belleville, Ontario. The first two years are completed at Loyalist College and the final two years at Brock University. Following completion of the degree, students will be eligible to write the certification exam to become a Registered Nurse. Applications to the program are made through the Ontario College Application Services (OCAS). Students who wish to begin studies at Loyalist College should choose this option.

Policing and Criminal Justice

Applicants who wish to be considered for this program must first apply to Human Geography (BGE), Political Science (BPO), Sociology (BSO), Psychology (BPY), Media and Communication Studies (BUC), or Business Communication Studies (BUD). Students apply for admission to the Policing and Criminal Justice program following successful completion of year one at Brock University. Refer to www.brocku.ca/webcal/2011/undergrad/pcjp.html for further information. University or college transfer applicants with less than the equivalent of 4.0 university transfer credits may be considered for admission. Applicants who already hold a diploma in Police Foundations are not eligible to apply.

For information related to all other Brock university-college collaborative programs, or current transfer/articulation agreements, go to: www.brocku.ca/registrar/admissions/articulation-agreements/.

English Proficiency

Applicants for whom English is a second language must submit evidence of English language proficiency. Applicants should refer to the Brock University 2012–2013 calendar for information regarding English language proficiency requirements. For details please

visit www.brocku.ca/webcal/2011/undergrad/admi.html. Normally, any one of MELAB, IELTS, TOEFL, ITELP, CAEL or YELT will be considered for admission purposes. Brock University reserves the right to request an English proficiency test score from any applicant, regardless of status in Canada.

Accessibility Policy

Applicants who apply under the Accessibility Policy must meet minimum university admission requirements and be Canadian citizens or permanent residents. Requests for special admissions consideration, including any supporting documentation, **should be submitted as part of the application package. If this is not possible, a letter should be submitted at the time of application to the Office of the Registrar, Admissions, indicating that documentation is being forwarded at a later date. Failure to do so may result in an admission decision being made without consideration under the Accessibility Policy.**

Applicants admitted under this policy who do not meet the admission requirements for a specific program may be extended an offer to an alternate program in cases where the preferred program is limited in enrollment or is full. Applicants may be considered under one or more of the following categories:

Extenuating Circumstances

Applicants may request individual review by sending a letter, **written by the applicant**, directly to the Office of the Registrar, Admissions. Any letters and/or supporting documentation should clearly articulate how the special circumstances have impacted academic performance.

Physical Disabilities or Severe Illness

Applicants may request individual review by sending a letter, **written by the applicant**, directly to the Office of the Registrar, Admissions. The letter should clearly articulate how the special circumstances have impacted academic performance. Supporting documentation should be provided.

Minority Status

Members of Aboriginal communities or members of a visible minority may request individual review by sending a letter, **written by the applicant**, directly to the Office of the Registrar, Admissions. Any letters and/or supporting documentation should clearly articulate how the special circumstances have impacted academic performance.

Learning Disabilities

Applicants may request individual review by sending a letter, **written by the applicant**, with supporting

documentation directly to the Office of the Registrar, Admissions. The Admissions Office will forward all documentation to the Services for Students with disAbilities Office. Upon review, additional information may be required. The Director of Admissions, in consultation with the Manager of Services for Students with disAbilities, will make all admissions decisions. Admission is not guaranteed.

The following documentation is required:

- i) a psychoeducational assessment report or documentation from a physician and/or specialist confirming the learning disability and indicating a need for specific accommodations;
- ii) an IEP, when available; and
- iii) a cover letter **written by the applicant** that clearly articulates how the learning disability has impacted academic performance.

Special note: For those students requiring special accommodation who have not already identified themselves during the application process, it is important to contact Services for Students with disAbilities immediately upon receiving admission to arrange for required accommodations. Contact us at 905-688-5550, extension 3240.

Brock assists students with physical, medical, mental health and learning disabilities through exam accommodations, note taking, technical assistance, and campus advocacy and liaison. The campus is wheelchair accessible, and includes accessible housing units.

Residences

Brock's award-winning residences feature close proximity to academic halls, air-conditioning, and internet and cable access. All of our residences are located on or within walking distance to the campus and offer Brock students the opportunity to choose between traditional dormitory, townhouse or independent-style living accommodations. For detailed information regarding our residences or to apply, please visit www.brocku.ca/residence/. The residence application and deposit must be received by Brock University no later than June 1, 2012.

Awards and Financial Aid

For information about Brock's innovative scholarships and financial aid, visit <https://experience.brocku.ca>.

Co-op Programs

Co-op students at Brock receive extensive coaching and support to enable a successful transition to the workplace. Work placements, with companies located across Canada and internationally, contribute to, and build upon, academic programs.

Applicants should refer to www.brocku.ca/webcal/2011/undergrad/crit.html for guidelines regarding the necessary academic background required for admission. Applicants should note that co-op is a limited enrollment program and admission is not guaranteed by the attainment of the minimum requirements.

University or college co-op applicants are assessed on an individual basis and **only those with less than the equivalent of 4.5 full university transfer credits will be considered**. For information on transferring from a college or university, refer to www.brocku.ca/registrar/admissions/admission-criteria/transfers/. Applicants should note that co-op is a limited enrollment program and admission is not guaranteed by the attainment of the minimum requirements.

International students on study permits are welcome to apply to, and be considered for, admission to co-op programs at Brock University. However, admission to some programs may be limited or restricted due to limitations imposed by industry requirements or Canadian Immigration, which make it difficult to secure placements for international students and present challenges for successful completion of required work terms. **Visa students are ineligible to apply for the Accounting co-op program.**

Med PLUS

Med PLUS at Brock University is an experiential learning, non-credit initiative designed to provide students with the skills and experience necessary for a successful health professional career. It has two key goals. Med PLUS aims to help students boost their chances of being accepted into graduate health programs (e.g., Medical School, physiotherapy programs) by providing a range of experiences, speakers and skill development workshops that help the student in a variety of personal and interpersonal facets of life. Med PLUS also helps students to develop a supportive network of contacts and mentors in the region, so that they will have a good basis upon which to establish their career after completing their education. For additional information and an application form, refer to www.brocku.ca/career-services/students-alumni/med-plus/.
