Notes :

- Universities assign their academic programs to program groups. Universities may assign similar academic programs to different program groups. E.g., A university may assign their nursing program to the Nursing group or the Health Professions and Related Programs group.
- Percent changes may be impacted by the following factors, so take care when interpreting any changes:
  - The addition/removal of an academic program to/from a program group.
  - Moving academic programs from one program group to another, which universities may request at any time in the cycle.
